

Appointment Notes on Invoices

When you check in a patient and record their transaction, any notes you record in the Add a Note field will appear on the printable invoice, which can be viewed by patients:

Hiding appointment notes

If you do NOT want these notes to appear on invoices, you can change this setting on your [Settings](#) page, in the Basics section - just click the Hide Appointment Notes on Invoices box:

Basics

- ☒ **Active:**
Patients can make appointments
- ☒ **No Reminder Emails:**
Stop sending reminder emails to patients.
- ☒ **No Confirmation Emails:**
Stop sending confirmation emails to patients the day they were made.
- Sandbox accounts cannot send reminder emails.
- ☐ **Cancel Notification:**
Send an email to artdudejoe@icloud.com when patient cancels an appointment.
- ☒ **Daily Appointments:**
Allow patients to make more than one appointment per day.
- ☒ **Send Intake:**
New patients have an intake created and emailed the link.
Only true if intakes are setup
- ☒ **Sort Blocks Alphabetically:**
By default blocks are sorted by time. This overrides that.
- ☒ **Allow Checkin without a transaction**
By default a transaction is required when checking a patient in.
- ☒ **Hide Appointment Notes on Invoices**
Checking this box will exclude appointment notes when viewing or printing invoices; for both patients and in the scheduler.
