

# How Open ACU Referrals Works

## How to get a free month of Open ACU

Refer a friend to Open ACU using your clinic's unique referral code which you will find on [Account > Referrals](#). This will take \$55 off their cost at signup, meaning their first month is free! Once they've completed two months with Open ACU, you'll get a \$55 credit to your account.

Here are the steps to copying your code and sharing as found on the Open ACU admin portal.

To share your code

### 1 Copy Your Referral Link

Copy Link

This is a link to the Open ACU signup page.

### 2 Share The Link

Email or text this link to the Open ACU signup page to your friends. They will enter "ACCN0316" in the coupon field at signup.

### 3 Look For Your Credit

Your account will be credited \$55 once the new account has been online for two months.

## The Details

To qualify, your referee must sign up for Open ACU using your clinic's unique referral link, and

complete two months of service with Open ACU. You will receive a \$55 credit to your account, which will be applied to the next month's service fee. If you refer multiple new customers and earn multiple \$55 credits, those will be applied on subsequent months. Referee Terms: To qualify, you must sign up for Open ACU using a referral link. This will subtract \$55 from the amount due at signup. The standard \$75 signup fee will still be due at the time of signup.
