

# Text message appointment reminders

Your clinic has the option to send SMS/text message appointment reminders in addition to email reminders. Patients will need to opt in to receive text messages. They can opt in by logging in to the [Patient Portal](#), or you can do it for them via the [Patient Profile Page](#).

This feature does NOT include two way texting. If a patient replies to a reminder text with anything other than STOP, they'll receive a message directing them to call your clinic phone number for further assistance (see below for an example).

## Setting up SMS reminders

To activate the SMS reminders feature and enter your settings, go to your [Settings and Templates](#) page. On the top right hand side you'll see a box for Text Reminders:

Text Reminders

☒ **Send SMS Reminders**

Messages will be sent aprox 24 hours prior to appointments

When to send text message?

24 Hours Before Appointment

Text Reminder Verbiage

Hi [[NAME]]! It's [[CLINIC]] with a reminder of your appointment with [[PRAC]] [[APPTIME]] in [[LOC]]. Call [[LOCPHONE]] to make changes. Reply STOP to end msgs.

Max Characters: 161 / 165

Save Texting Preferences

Key to Verbiage Codes

Complete the following steps to activate SMS reminders:

1. Check the Send SMS Reminders box

2. Select your preference for when text messages are sent - they can be sent either 24 or 48 hours before the appointment.
3. Enter your verbiage for your text message - click the [Key to Verbiage Codes](#) button for options to customize your messages.
4. Click Save Texting Preferences and you're done!

See [this reference for the text code variables](#) you can use or click the [Key to Verbiage Codes](#) button on your admin page.

Next, patients will need to opt in to receive text message reminders. They can opt in by logging in to the [Patient Portal](#), or you can do it for them via the [Patient Profile Page](#).

## How to opt in via Patient Portal

The patient will need to log in to their account and click Your Account in the upper right hand corner:

On the Account page there is a box under their name where they can enter the phone number where they'd like to receive messages:

# My Account

You will now receive text reminders.

# How to opt in via Admin Portal

You can opt in for the patient via the Admin Portal on their [Patient Profile Page](#). Under their name you'll see a box for SMS reminders. Enter the phone number where they'd like to receive message:

The screenshot shows the 'Patient Profile Page' for 'Buzz A Lightyear'. The page includes a profile picture, age (45), email (buzzal83241@X.com), and phone number ((615) 319-0316). Below this, there are three sections: 'FIRST APPOINTMENT' (July 30, 2020), 'TOKENS' (3), and 'CREDIT BALANCE' (\$0.00). A red-bordered box titled 'SMS Reminders' is expanded, showing a 'Text Reminders' section. This section contains instructions to provide a mobile number for appointment reminders and a form to 'Enter Patient Mobile Phone Number'. The number '(615) 555-1234' is entered in the form, and a 'Save Number' button is visible below it.

Once they enter their number they'll get a confirmation code at that number via text message:

Enter the code to complete the process:
