

EHR Preferences

Note taking preferences

From the EHR Preferences page, the Clinic Owner can set the note-taking preferences for the clinic. There are two options:

Clinic Owner EHR
Preferences

Note taking preferences

☐ Notes, Plan Fields ☒ Use 4 SOAP Fields

Clinic Owner **cannot** approve and lock Health Records.
Owners can change this setting for each user.

☒ Using Superbills

Default Treatment Name
acupuncture

Star Rating Label
Pain

Save Preferences

- **Notes, Plain Field.** This option gives practitioners one blank field to enter all their treatment notes. On the patient's record it looks like this:

Aug 5th 2020 @ 9:10 AM
