

# Viewing Treatment History

You can view a patient's treatment history, including notes entered by any practitioner for all past appointments, from the [EHR Blocks](#) page, the [EHR Appointments](#) page, or the [Patient Profile](#) page.

## EHR Blocks page

To view a patient's EHR history from the EHR Blocks page, click on the magnifying glass icon below the patient's name to view their most recent treatments:

Once you click the icon, a modal will appear showing their three most recent treatments:

You can also repeat the notes from a previous from this popup modal.

## EHR Appointments page

You can view a patient's EHR history from the EHR Appointments page in the same way as you would from the EHR Blocks page. Click on the magnifying glass icon below the patient's name to view their most recent treatments.

## Patient Profile page

To view a patient's EHR history from the Patient Profile page, click on the Health Records icon below their name and details:
