Viewing Unlocked Records

To view a list of health records that have not yet been approved and locked, go to the EHR Appointments page.

Enter your date range and check the box that says Unlocked Records Only:

EHR Appointments Enter Records to Appointments		
Search Appointment Health Records		
TodayThis WeekIast WeekYear to DateLast Year	This Month Last Month	
2020-11-01	All Location	\$
2020-11-30	All Practitioners	\$
Unlocked Records Only	Q Search	

The list of records that need to be approved and locked will appear to the right.
