

Edit Your Account

You can change your contact information, notification preferences and more for your Open ACU account on the Account page. There are 5 sections on your account page. Your photo, your basic details, your emergency contact information, changing your password and [your appointments](#).

Change Your Account Photo

1. Click the photo or avatar icon at the top of your account page.
2. Select a file from your computer or device.
3. Click upload.
4. The image must be less that 3000 and greater than 300 pixels.

Add Credit Card Information

If your clinic uses Open ACU's integrated credit card payments option, you can add or edit your credit card details to save a card on file for future use.

Click the Add Credit Card button, enter your card details, then click the Add Card button to save your information. You may add and save multiple cards.

Text Message Reminders

If your clinic enables appointment reminders via SMS/text message, you will need to opt in to receive those (you'll still receive email reminders). To receive text message reminders, enter your mobile phone numbers in the Text Reminders box, then check your phone and follow the prompts to complete the setup process:

Text Reminders

To receive appointment reminders by text, please provide your mobile number. We will send you a verification code to confirm your number.

Enter Your Mobile Phone Number.
